

Certificate of Insurance Requirements

Jarrett Enterprises Montana (JEM) DBA Time Rental requires the following insurance coverage to provide complete rental equipment services with out the LDW. In combination with or In lieu of a Certificate of Insurance it is highly recommended to utilize our Loss Damage Waiver (LDW) product.

- Minimum: General Liability is \$1,000,000.00
- Coverage should be shown for Rented Equipment in an amount that would cover all of your rental requirements, that is the cost of all equipment rented from Time Rental.
- Time Rental should be listed as Loss Payee for Rented Equipment and as additional insured with respect to General Liability and Identified as a Certificate Holder.
- Policy Exclusions, for any reason, must be fully identified and appear on the certificate. Some exclusions may not be acceptable.
- Jarrett Enterprises Montana DBA Time Rental must be listed as the Certificate Holder. No other names will be accepted. Certificates of Insurance may be required in order to fulfill rental or credit requests. Our LDW product may be considered adequate coverage on a case by case basis.
